

Barcode Label Printers

				
Manufacturer:	Zebra	Zebra		
Model:	LP-2824	TLP-2844	800130-101	800130-102
Interface:	USB and Serial	USB and Serial	N/A	N/A
Width:	3.6"	7.9"	1.33"	2.5"
Height:	6.8"	6.8"	244'	
Depth:	7.5"	9.75"	N/A	
Weight:	2.7 lbs	3.2 lbs	N/A	
Cost:	\$275	\$445	\$2.09	\$4.06
Vendor Name:	Forbes Company			
Vendor Phone:	800-250-4112 x124			
Notes:	<p>At 2.2" (56 mm), the direct thermal LP 2824 bar code label printer is ideal for retail and other label applications. The LP 2824 redefines the compact printer class. It fits into areas other printers cannot, withstanding rough handling and integrating easily into a wide range of applications. A 5" (127 mm) media roll capacity and clear media window optimize productivity, while a maximum print speed of 4" (102 mm) per second enables fast job processing.</p> <p>The LP 2824 excels in delivering printing solutions for business and professional offices, including retail point of sale, shelf labeling, product marking, healthcare specimen labeling and patient tracking, inventory and asset management, small office or home office mailing, shipping, and file folder labeling.</p>	<p>The thermal transfer TLP 2844 bar code label printer is ideal for applications requiring a space-saving, desktop-size, 4.09" (104 mm) printer. This user-friendly printer delivers optimal performance in today's on-demand desktop labeling applications. The TLP 2844 has a sturdy construction with a double-walled ABS casing.</p> <p>The TLP 2844 integrates easily into a variety of printing applications, including shipping and receiving, warehouse shelf labeling and inventory control, hospitals, healthcare, and medical laboratories, transportation and logistics, and e-commerce postage. Serial, parallel, and USB interfaces, and an optional internal Ethernet (ZebraNet PrintServer II), make this flexible, reliable, and affordable printer a smart investment</p>	<p>Wax ribbon required to print the thermal transfer labels 1.33" wide or smaller.</p>	<p>Wax ribbon required to print the thermal transfer labels 2.50" wide or smaller.</p>
